***** IMPORTANT INFORMATION *****

We also have the facility to accept payment by direct Bank Transfer. We must be notified by telephone or email of any order that is to be paid via BACS prior to payment so that we can agree your order, assign your payment an order number and check for the money arriving in our bank account. All charges must be paid by the customer when paying via BACS bank transfer.

Please note that we must have your order number if available, but at the very least your full name as the reference for all BACS payments. Failure to provide this information may mean that the payment is not allocated to your account immediately and can cause delays with your order being dispatched.
